This smaller authority's internal audit, acting independently and on the basis of an assessment of risk, carried out a selective assessment of compliance with relevant procedures and controls expected to be in operation during the financial year ended 31 March 2016.

Internal audit has been carried out in accordance with this smaller authority's needs and planned coverage. On the basis of the findings in the areas examined, the internal audit conclusions are summarised in this table. Set out below are the objectives of internal control and alongside are the internal audit conclusions on whether, in all significant respects, the control objectives were being achieved throughout the financial year to a standard adequate to meet the needs of this smaller authority.

| ropriate accounting records have been kept properly throughout the year.  smaller authority met its financial regulations, payments were supported by invoices, all anditure was approved and VAT was appropriately accounted for.  | Yes /  | the folio  | Not<br>covered**   |
